

TACORA RESERVE

Pinot Noir

Vineyards

The grapes are grown in the best region of Limari, with cool climate and older vines. The soils remind us of Sancerre and Burgundy.

Tasting Notes

Appearance: light ruby, clean with light red notes. Aromas: crushed berries, black currants and light cherries in the bottom. The vanilla and light spices are the perfect compliment that rounds the wine with a complex nose. Flavors: soft tannins, balanced alcohol and high acidity layer with currant and black cherry fruit that balance flavor with a long finish.

PINOT NOIR - LIMARI VALLEY
